After all Masses, please return the box to the Sacristy. Thank you!

- We do not take orders to be filled by the PCS Office. Please kindly ask the purchaser to visit the PCS Office to make their purchase.
- If you must make change from another cash order, please fold both forms together.
- **Extra gift card forms and other supplies are located in a clear plastic box labeled for the scrip sellers on the shelf in the closet.** If the forms are old, please modify as necessary and ensure we have an order form for every order.
- The gift card box is kept in the Sacristy. Gift cards are sold in the Faustina Room. The table is stored in the closet in the Faustina Room.
- **Please continue to trade or call a sub if you cannot sell as scheduled.**
- **If anyone has an issue with a card, please do not exchange for a new card, but rather ask them to take the card to the PCS Office for assistance.**

Note: If you are not already doing so, please always double count the gift card sale before giving it to the purchaser. Please count the gift cards the same as you would count cash (instead of counting one, two, three cards, please count \$20, \$40, \$60, etc.). This will ensure that you are looking at the dollar amount on the gift card. To ensure the purchaser does not take the cards before you have pulled the entire order and can count the cards out to the purchaser, place the cards between you and the box until you have the entire order pulled and then count the order out to the purchaser and ensure your total matches the total on the order sheet.

Thank you for your continued service to the Gift Card Program at St. Peter's.
