I Love My Church

A Minute With Jesus During this Eucharistic Revival

OUR RESPONSE is THANKSGIVING:

When we receive Jesus, we want to thank Him for the total gift of Himself to us. This Gift of the Eucharist empowers us to live our lives with thankful hearts as we follow Him with trust and commitment.

Let's read and pray this right now and every day this week:

We have a Heavenly Father who loves each one of us, in an absolutely unique way as expressed in Scripture: "Every good and perfect gift comes down from the Father of lights, with Whom there is no variation or shadow caused by change" (James 1:17).

In thanksgiving, let us pray the Our Father prayer, remembering both our Heavenly Father and our earthly father.

Two Sisters of St. Joseph who entered the Convent from St. Peter's Parish 80 Years ago will be celebrating their Jubilee next week

in Cleveland. They are:

**Sister Loretta Zelewski &
Sister Frances Jerzak.**

God's choicest blessings to both of them! May they enjoy peace and good health as they celebrate their Jubilee.

Please pray for more vocations from St. Peter Parish.

Amen

Our Parish Picnic was just over last weekend. Now it is time for us to remember *gratefully* the great persons, who have spent several days in planning, organizing and finally in executing it. The chair person of the Picnic, the heads of the various departments are those who have been the main instruments of successfully executing the plan. They are to be complimented and appreciated for their sacrifice of their time and talents. Hence, on behalf of the entire Parish community, I thank them very much. It would be a gesture of your personal gratitude, if you personally meet any one of them and express your appreciation for their service.

I also would like to appreciate all the volunteers, who came to work and made our PICNIC weekend possible. I express my heartfelt thanks to all the sponsors and Club Card members. Your generosity has helped us cover a portion of our expenses, which, in today's economy, is a huge help!

I cannot forget those who have generously baked various items, those who help to prepare the dinner. Your service was commendable. We have so far received so much positive feedback complimenting our Chicken Dinner, Baked Goods and the items in the Food and Snack Stands. New this year was a very popular sandwich item. A special thanks to Michele's Restaurant for their generous donation of the delicious shredded beef.

A group of volunteers worked as a team to set-up everything on the previous day of the picnic and to take-down at the end of the picnic to store all of the Kids' Games, picnic tables, bar area, Silent Auction, Bake Sale & Concession Stand prep and clean up. We couldn't do this without you! We especially thank Jeff Patton, Ben Gebeau and Jim Gies for their resourcefulness and time into helping everything run smoothly and securely.

I thank everyone who dropped off items to donate to the Basket Raffle, Kids' Games and Silent Auction and/or prepared beautiful and tasty baked goods....THANKS for your effort and for sharing your talent. You can't put a price tag on how much you are appreciated!

Thankfully praying God's abundant blessing for you,

Fr. Arul Joseph V.

Thought for the Week

Someone recently mentioned what a blessing one's vivid imagination must be. But an overactive imagination can seem like a curse on a dark night in an empty house, or when a loved one is late and not answering the phone, or watching the news. What we don't fully understand is why it's so easy for one's imagination to get carried away with dark, scary thoughts, but not so much when it comes to potentially joy-filled things to happen. Why is it harder to picture a relationship as healthy and thriving then as broken and hopeless? To expect the best rather than brace for the worst. And the most important question; what does this tendency say to the One who gave his life for us? The Bible teaches that Jesus made it possible to live in a joy-filled, abundant life despite the pain that comes with earthly life. So if your imagination runs wild, it should be focused on how God will work out everything in your life for the good.
